

# Giants Higher Key – Dermot Kennedy

We used to be giants  
When did we stop?  
Just say the word and I'll be yours  
You know I never forgot

The hope and the hurt has lived inside of me  
There's gold in the dirt, I never took the time to see  
But I knew of its worth when you walked beside of me  
And my hand fit in yours like a bird could find the breeze

We used to be giants  
When did we stop?  
Just say the word and I'll be yours  
You know I never forgot  
We were the song of the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgot

I knew from the start, you'd be the one to set me free  
That day in the park when the hurt would hide from me  
Those eyes used to know me, it's been way too long  
You are the moon and the stars, and all they gaze upon  
Time won't ever move slowly, what you waiting on?  
Yeah, what you waiting on?

We used to be giants  
When did we stop?  
Just say the word and I'll be yours  
You know I never forgot  
We were the song of the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgot

Darling, just say you will

Will you remember those times?  
That I have held until tonight  
If you say you will, I'll leave it all behind  
Don't you remember those times?

We used to be giants  
So, when did we stop?  
Just say the word and I'll be yours  
You know I never forgot  
We were the song of the silence  
But time catches up  
Just say the word and I'll be yours  
You know I never forgot

We used to be giants, giants  
Oh, I still love you though  
I still love you though
