Giants – Dermot Kennedy

We used to be giants When did we stop? Just say the word and I'll be yours You know I never forgot The hope and the hurt Has lived inside of me But there's gold in the dirt I never took the time to see But I knew of its worth When you walked beside of me And my hand fit in yours Like a bird would find the breeze We used to be giants When did we stop? Just say the word and I'll be yours You know I never forgot We were the song in the silence But time catches up Just say the word and I'll be yours You know I never forgot I knew from the start You'd be the one to set me free That day in the park When the hurt would hide from me Those eyes used to know me, it's been way too long You are the moon and the stars, and all they gaze upon Time won't ever move slowly, what you waiting on? What you waiting on? We used to be giants When did we stop? Say the word and I'll be yours You know I never forgot We were the song in the silence But time catches up Just say the word and I'll be yours You know I never forgot

Darling Just say you will Will you remember those times? That I have held until Tonight If you say you will I'll leave it all behind Don't you remember those times? We used to be giants So when did we stop? Just say the word and I'll be yours You know I never forgot We were the song in the silence But time catches up Just say the word and I'll be yours You know I never forgot We used to be giants Giants Oh, I still love you though I still love you though
