

What have i done – Dermot Kennedy

Woke up this morning, light poured in,
you're with me
I thought I'd be better off alone
Now, my soul has been torn and reborn, started breathing
What have I done?
What have I done?
I never thought I needed saving,
I was right where I should be
Good God, I know it's dangerous, but it's you that I need
I'm in love this time
I'm in love this time
What have I done?
What have I done?
So, don't you fall back asleep for this moment
Just be, I wanna get it right for once
Oh, I've been knocked out and beat
but this feeling is fleeting
What have I done?
What have I done?
Never thought I needed saving,
I was right where I should be
Good God, I know it's dangerous, but it's you that I need
I'm in love this time
I'm in love this time
What have I done?
What have I done?
Ever since the other night
I've been thinking 'bout the way you smile golden
Wanna move inside of your light
Ever since the other night
I've been thinking 'bout the way you smile golden
Wanna move inside of your light
What have I done?
Oh no, what have I done?
You be brave for me, now
I never thought I needed saving,

I was right where I should be
Good God, I know it's dangerous, but it's you that I need
I'm in love this time
I'm in love this time
What have I done? (Oh, oh, oh, oh)
What have I done? (Oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh)
