

# Chillin' Like a Villain – Descendants

Let me tell you something you can really trust  
Everybody's got a wicked side  
I know you think that you could never be like us  
Watch and learn so you can get it right

You need to drag your feet  
You need to nod your head  
You need to lean back  
Slip through the cracks  
You need to not care  
Uh, you need to not stare  
You need a whole lot of help  
You need to not be yourself

You wanna be cool  
Let me show you how  
Need to break the rules  
I can show you how  
And once you catch this feelin'  
Yeah, once you catch this feelin'  
You'll be chillin', chillin'  
Oh, oh, oh, oh  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Hey!)  
Chillin' like  
Chillin' like  
(Hey!)  
A villain

You draw attention when you act like that  
Let us teach you how to disappear  
You look like you would lose a fight to an alley cat

You gotta be wrong to get it right 'round here

You need to watch your back  
You need to creep around  
You need to slide real smooth  
Don't make a sound  
And if you want it, take it  
If you can't take it, break it  
If you care about your health  
Seriously, you need to not be yourself

You wanna be cool  
Let me show you how  
Need to break the rules  
I can show you how  
And once you catch this feelin'  
Yeah, once you catch this feelin'  
You'll be chillin', chillin'  
Oh, oh, oh, oh  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Chillin')

I really wanna be bad a lot  
And I'm giving it my best shot  
But it's hard being what I'm not  
Well, if you don't you're gonna get us caught  
He's right, we gotta stay low-key  
Now show us how bad you can be  
Like this?  
Yeah, yeah, yeah, yeah, yeah!  
Like This ?  
Yeah, Yeah  
Oh, yeah, I think I got this  
Let's go, I'm ready to rock this  
And I ain't gonna thank you for your help  
I think I found the worst in myself

You wanna be cool

Let me show you how  
Need to break the rules  
I can show you how  
And once you catch this feelin'  
Yeah, once you catch this feelin'  
You'll be chillin', chillin'  
Oh, oh, oh, oh  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain  
(Chillin')  
Chillin' like a villain
