

Hold On Just A Little While Longer – Detroit Become Human

Hold on just a little while longer
Hold on just a little while longer
Hold on just a little while longer
Everything will be alright
Everything will be alright
Fight on just a little while longer
Fight on just a little while longer
Fight on just a little while longer
Everything will be alright
Everything will be alright
We'll sing on just a little while longer
Sing on just a little while longer
Sing on just a little while longer
Everything will be alright
Everything will be alright
Everything will be
Alright
