

# Blood, Sweat and Tears – Dezi Paige

Blood, sweat and tears  
Out of all that it takes  
Trials and fear of mistakes  
Hearts on the table, wide open, and naked  
Too far to give up a stake  
'Cause I don't have the perfect lines  
No, I don't have the perfect time  
I know I'm not perfect fine  
But I know just what it takes  
When you ask me to jump  
I say, "how high?"  
When you ask me for patiences  
I wait in line  
But now that it's my turn  
I'm gonna take what's mine high  
Now that it's my turn  
I'm gonna take what's mine high  
Blood, sweat and tears  
'Cause I don't have the perfect lines  
No, I don't have the perfect time  
I know I'm not perfect fine  
But I know just what it takes  
When you ask me to jump  
I say, "how high?"  
When you ask me for patiences  
I wait in line  
But now that it's my turn  
I'm gonna take what's mine high  
Now that it's my turn  
I'm gonna take what's mine high  
Blood, sweat and tears  
Out of all that it takes  
Trials and fear of mistakes
