

# White Flag – Dido

I know you think that  
I shouldn't still love you  
Or tell you that  
But if I didn't say it  
Well, I'd still have felt it  
Where's the sense in that?  
I promise I'm not trying to make  
your life harder  
Or return to where we were  
But I will go down with this ship  
And I won't put my hands up  
and surrender  
There will be no white flag  
above my door  
I'm in love and always will be  
I know I left too  
Much mess and destruction  
To come back again  
And I caused nothing but trouble  
I understand if you  
Can't talk to me again  
And if you live by the rules of it's over  
Then I'm sure that that makes sense  
But I will go down with this ship  
And I won't put my hands up  
and surrender  
There will be no white flag  
above my door  
I'm in love and always will be  
And when we meet  
Which I'm sure we will  
All that was there  
Will be there still  
I'll let it pass  
And hold my tongue  
And you will think

That I've moved on  
And I will go down with this ship  
And I won't put my hands up  
and surrender  
There will be no white flag  
above my door  
I'm in love and always will be  
I will go down with this ship  
And I won't put my hands up  
and surrender  
There will be no white flag  
above my door  
I'm in love and always will be
