## White Flag – Dido

I know you think that I shouldn't still love you Or tell you that But if I didn't say it Well, I'd still have felt it Where's the sense in that? I promise I'm not trying to make your life harder Or return to where we were But I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be I know I left too Much mess and destruction To come back again And I caused nothing but trouble I understand if you Can't talk to me again And if you live by the rules of it's over Then I'm sure that that makes sense But I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be And when we meet Which I'm sure we will All that was there Will be there still I'll let it pass And hold my tongue And you will think

That I've moved on And I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be
