

White Flag – Dido

I know you think that
I shouldn't still love you
Or tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make
Your life harder
Or return to where we were
But I will go down with this ship
And I won't put my hands up
And surrender
There will be no white flag
Above my door
I'm in love and always will be
I know I left too
Much mess and destruction
To come back again
And I caused nothing but trouble
I understand if you
Can't talk to me again
And if you live by the rules of it's over
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my hands up
And surrender
There will be no white flag
Above my door
I'm in love and always will be
And when we meet
Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think

That I've moved on
And I will go down with this ship
And I won't put my hands up
And surrender
There will be no white flag
Above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up
And surrender
There will be no white flag
Above my door
I'm in love and always will be
