

# The devil within – digital daggers

I will keep quiet  
You won't even know I'm here  
You won't suspect a thing  
You won't see me in the mirror  
But I crept into your heart  
You can't make me disappear  
Til I make you  
I made myself at home  
In the cobwebs and the lies  
I'm learning all your tricks  
I can hurt you from inside  
I made myself a promise  
You would never see me cry  
Til I make you  
You'll never know what hit you  
Won't see me closing in  
I'm gonna make you suffer  
This hell you put me in  
I'm underneath your skin  
The devil within  
You'll never know what hit you  
I will be here  
When you think you're all alone  
Seeping through the cracks  
I'm the poison in your bones  
My love is your disease  
I won't let it set you free  
Til I break you  
You'll never know what hit you  
Won't see me closing in  
I'm gonna make you suffer  
This hell you put me in  
I'm underneath your skin  
The devil within  
You'll never know what hit you  
I tried to be the lover to your nightmare

Look what you made of me  
Now I'm a heavy burden that you can't bear  
Look what you made of me  
Look what you made of me  
I'll make you see  
You'll never know what hit you  
Won't see me closing in  
I'm gonna make you suffer  
This hell you put me in  
I'm underneath your skin  
The devil within  
You'll never know what hit you  
The devil within  
You'll never know what hit you
