

All the fools sailed away – Dio

There's perfect harmony
In the rising and the falling of the sea
And as we sail along
I never fail to be
Astounded by the things we'll do for promises
And a song
We are the innocent
We are the damned
We were caught in the middle of the madness
Hunted by the lion and the lamb, ah, ah
We bring you fantasy
We bring you pain
It's your one great chance for a miracle
Or we will disappear never to be seen again
And all the fools sailed away
All the fools sailed away
Sailed away
We bring you beautiful
We teach you sin
We can give you a piece of the universe
Or we will disappear never to return again
And all the fools sailed away
All the fools sailed away
All the fools sailed away
They sailed away
Sailed away
And as we drift along
I never fail to be astounded by
The things we'll do for promises
And a song
We are the innocent
We cut, we bleed
We are one great chance for a miracle
And a miracle is something you need
They'll take your diamonds
And then give you steel

You'll be caught in the middle of the madness
Just lost like them,
Part of all the pain they feel, yeah
And all the fools sailed away
All the fools sailed away
All the fools sailed away
Leaving nothing, nothing more to say
All the fools sailed away
They say you're beautiful
And they'll always let you in
But doors are never open
To the child without a trace of sin
Sail away
