

Inside the fire – Disturbed

Ahahahahaha!
Ooooh, Devon,
Won't go to heaven
She's just another lost soul,
About to be mine again
Leave her, we will receive her
It is beyond your control,
Will you ever meet again
Devon,
One of Eleven,
Who had been rendered unwhole
As a little child,
She was taken and then forsaken
You will remember it all
Let it blow your mind again
Devon lies beyond this portal,
Take the word of one immortal!
Give your soul to me, for eternity
Release your life
To begin another time with her
End your grief with me
There's another way
Release your life
Take your place inside the fire with her!
Sever,
Now and forever
You're just another lost soul
About to be mine again
See her, you'll never free her
You must surrender it all
And give life to me again
Fire,
All you desire
As she begins to turn cold
And run out of time
You will shiver, till you deliver

You will remember it all
Let it blow your mind again
Devon lies beyond this portal,
Take the word of one immortal!
Give your soul to me, for eternity
Release your life
To begin another time with her
End your grief with me
There's another way
Release your life
Take your place inside the fire with her!
Take it away, yeah!
Give your soul to me, for eternity
Release your life
To begin another time with her
End your grief with me
There's another way
Release your life
Take your place inside the fire with her!
Ooooh, Devon,
No longer living,
Who had been rendered unwhole
As a little child
She was taken, and then forsaken
You will remember it all
Let it blow your mind again
(Burn)
Ahahahahaha!
