Inside the fire - Disturbed

Ahahahahaha! Ooooh, Devon, Won't go to heaven She's just another lost soul, About to be mine again Leave her, we will receive her It is beyond your control, Will you ever meet again Devon, One of Eleven, Who had been rendered unwhole As a little child, She was taken and then forsaken You will remember it all Let it blow your mind again Devon lies beyond this portal, Take the word of one immortal! Give your soul to me, for eternity Release your life To begin another time with her End your grief with me There's another way Release your life Take your place inside the fire with her! Sever, Now and forever You're just another lost soul About to be mine again See her, you'll never free her You must surrender it all And give life to me again Fire, All you desire As she begins to turn cold And run out of time

You will shiver, till you deliver

You will remember it all Let it blow your mind again Devon lies beyond this portal, Take the word of one immortal! Give your soul to me, for eternity Release your life To begin another time with her End your grief with me There's another way Release your life Take your place inside the fire with her! Take it away, yeah! Give your soul to me, for eternity Release your life To begin another time with her End your grief with me There's another way Release your life Take your place inside the fire with her! Ooooh, Devon, No longer living, Who had been rendered unwhole As a little child She was taken, and then forsaken You will remember it all Let it blow your mind again (Burn)

Ahahahaha!
