

Be Happy – Dixie D'Amelio

Sometimes I don't wanna be happy
Don't hold it against me If
I'm down just leave me there
Let me be sad
Sun's up, I already wanna lay down
Friends calling, are you really
tryna go out?
Don't wanna get dressed up to pretend
I can lie and say I'm fine Maybe
you'll stop
calling then I've got chips on my shoulder
Only getting older So I keep to myself
Ain't tryna complain
Just don't wanna explain it
But sometimes I don't wanna be happy
Don't hold it against me If I'm down
just leave me there Let me be sad Sometimes
I just wanna be lonely Don't need you
to hold me If I'm low you don't need to care
Let me be sad
What's the matter with that?
What's the matter with that?
What's the matter with
Bad days, it's okay, let me feel it
And some days you've got to break your
heart to heal it
I know I'm gonna feel this way again
I can lie and say I'm fine But that
wouldn't change anything
I've got chips on my shoulder
Only getting older So I keep to myself
Ain't tryna complain
Just don't wanna explain it
But sometimes I don't wanna be happy
Don't hold it against me If I'm down
just leave me there Let me be sad

Sometimes I just wanna be lonely
Don't need you to hold me
If I'm low you don't need to
care Let me be sad
What's the matter with that?
What's the matter with that?
What's the matter with sadness
Making me feel the way
I feel right now Goodness
Can't force you when you feel
fucked up It's the salt that's on my tongue
It's the salt that's on my tongue
But sometimes I don't wanna be happy
Don't hold it against me If I'm down just
leave me there Let me be sad Sometimes
I just wanna be lonely Don't need you to
hold me If I'm low you don't need to care
Let me be sad [Post-Chorus] What's the
matter with that?
What's the matter with that?
