

I'm gone – Diztord

Henrik:

I know you try hard to convince me

Linda:

You're not the last one here

You will not get my tears

I will move on from you

That's more than you will do

Take this last look

'Cause now I am (I am, I am)

Gone (Gone)

Henrik:

I messed up, I gave you the wrong idea

I am the reason why you cry

That's it now, I don't wanna hear you say

I know you try hard to convince me

Linda:

You're not the last one here

(Not the last one here)

You will not get my tears

(You won't get my tears)

I will move on from you

(Moving on from you)

That's more than you will do

(Don't wanna be, oh no!)

Take this last look

'Cause now I am (I am, I am)

Gone (Gone)

Henrik:

Made a promise, saved it for the long haul

You had one too, but you lied even twice

You say "No, no way" but I still know

Trying to convince me

Linda:

You're not the last one here

(Not the last one here)

You will not get my tears

(You won't get my tears)
I will move on from you
(Moving on from you)
That's more than you will do
(Don't wanna be, oh no!)
Take this last look
'Cause now I am (I am, I am)
Gone (Gone)

Henrik:

That's it now, I don't wanna hear you say
I know you try hard to convince me

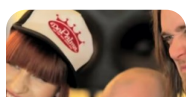

Linda:

You're not the last one here
You will not get my tears
I will move on from you
That's more than you will do
You're not the last one here
(Not the last one here)
You will not get my tears
(You won't get my tears)
I will move on from you
(Moving on from you)
That's more than you will do
You're not the last one here
(You're not the last one)
You will not get my tears
(You will not get my)
I will move on from you
(From you)
That's more than you can do
(Can do)

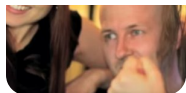

Take this last look
'Cause now I am (I am, I am)
'Cause now I'm gone (Gone)

Henrik:

'Cause I am gone
