

Dizzy – Olly Alexander

There's a place where
We break the line
Make it a circle redefined
Mmm
Beautiful gardens,
Eternal flowers
You know the way,
So take me there
Won't you make me
Dizzy from your kisses?
Will you take my hand and spin me
'Round and 'round
Until the moment never ends?
Mmm
Make me dizzy from your kisses
Will you take my hand and spin me?
Take me back to the beginning
Again
Again!
Pulling me close,
I feel stillness in the air
Time has frozen,
All memories lost
So won't you make me
Dizzy from your kisses?
Will you take my hand and spin me
'Round and 'round
Until the moment never ends?
Mmm
Make me dizzy from your kisses
Will you take my hand and spin me?
Take me back to the beginning
Again
Again!
(-----)
So won't you make me

Dizzy from your kisses?
Will you take my hand and spin me
'Round and 'round
Until the moment never ends?
Make me dizzy from your kisses
Will you take my hand and spin me?
Take me back to the beginning
Again
Again!
