

# Beautiful things – DJ Tiesto&Adain

Got up early, found something's missing  
My only name  
No one else sees but I got stuck  
And soon forever came  
Stopped pushing on for just a second  
Then nothing's changed  
Who am I this time, where's my name?  
I guess it crept away  
No one's calling for me at the door  
And unpredictable won't bother anymore  
And silently gets harder to ignore  
Look straight ahead  
There's nothing left to see  
What's done is done  
This life has got it's hold on me  
Just let it go, what now can never be  
I forgot that I might see,  
So many beautiful things  
I forgot that I might need  
To find out what life could bring  
Beautiful things  
Take this happy ending away  
It's all the same  
God won't waste this simplicity  
On possibility  
Get me up, wake me up, dreams are filling  
This trace of blame  
Frozen still I thought I could stop,  
Now who's gonna wait  
No one's calling for me at the door  
And unpredictable won't bother anymore  
And silently gets harder to ignore  
Look straight ahead  
There's nothing left to see  
What's done is done  
This life has got it's hold on me

Just let it go, what now can never be  
So many beautiful things  
So many beautiful things  
Now what do I do?  
Can I change my mind?  
Did I think things too  
It was once my life  
It was my life at one time
