

Beautiful things – DJ Tiesto&Adain

Got up early, found something's missing
My only name
No one else sees but I got stuck
And soon forever came
Stopped pushing on for just a second
Then nothing's changed
Who am I this time, where's my name?
I guess it crept away
No one's calling for me at the door
And unpredictable won't bother anymore
And silently gets harder to ignore
Look straight ahead
There's nothing left to see
What's done is done
This life has got it's hold on me
Just let it go, what now can never be
I forgot that I might see,
So many beautiful things
I forgot that I might need
To find out what life could bring
Beautiful things
Take this happy ending away
It's all the same
God won't waste this simplicity
On possibility
Get me up, wake me up, dreams are filling
This trace of blame
Frozen still I thought I could stop,
Now who's gonna wait
No one's calling for me at the door
And unpredictable won't bother anymore
And silently gets harder to ignore
Look straight ahead
There's nothing left to see
What's done is done
This life has got it's hold on me

Just let it go, what now can never be
So many beautiful things
So many beautiful things
Now what do I do?
Can I change my mind?
Did I think things too
It was once my life
It was my life at one time
