

End of Beginning – Djo

Just one more tear to cry
One teardrop from my eye
You better save it for
The middle of the night
When things aren't black and white
Enter, Troubadour
"Remember twenty-four?"

And when I'm back in Chicago
I feel it
Another version of me
I was in it
I wave goodbye
To the end of beginning

This song has started now
And you're just finding out
Now isn't that a laugh?
A major sacrifice
But clueless at the time
Enter, Caroline
"Just trust me, you'll be fine"

And when I'm back in Chicago
I feel it
Another version of me
I was in it
I wave goodbye
To the end of beginning

You take the man out of the city
Not the city out the man
You take the man out of the city
Not the city out the man
You take the man out of the city
Not the city out the man

You take the man out of the

And when I'm back in Chicago

I feel it

Another version of me

I was in it

Oh, I wave goodbye

To the end of beginning
