

Crack – Doja Cat

Love the way you watch me
when I'm on the floor
Buggin' out like you ain't ever been before
You know that I can do just 'bout everything
And anything, I entertain
Love the way you watch me
When I'm on the floor
Buggin' out like you ain't
ever been before, yuh
You know that I can do
just 'bout everything (yeah)
And anything, I entertain (yeah, said)
When we fuck, bitch, I'm on crack
Bitch, I go black, sacrifice back
When I go in, bitch, I'm on Henn'
Bitch, I'm on ten,
I just want him (yuh, said, I just want-)
When we fuck, bitch, I'm on crack
Bitch, I go black, sacrifice back
When I go in, bitch, I'm on Henn'
Bitch, I'm on ten (ten)
, I just want him (just fly)
I just want-
Yeah, he like that, when I do my dance
Baby, bite back, don't you fight that, no
I'm gone, can't find my phone
But all these lights on,
gotta keep my eyes open
Yeah
I don't think we'll make it past the doorway
Last twenty-four hours just been foreplay
Too bad we got cameras in the foyer
Now let me get you something
pinker than this rosé
My bish she go both ways,
Let me know when to rotate

Boy, I dip, she dip, he sit down
And keep the mans on both ways
And I got him whipped like
cocaine and he break this back in four ways
I'm gon' make that disappear
and they gon' label that a cold case
Watch me ride, I go down, down,
plenty ass to go 'round and 'round
He said I'm sexy in red, now,
won't hear but we just left pound town
Love it when it get loud
But he put that pillow over my mouth, now
Guess I'm sleepin' over this slip and slide,
and we tippin' over this couch, couch
Yeah, he like that, when I do my dance
Baby, bite back, don't you fight that, no
I'm gone, can't find my phone
But all these lights on (yeah),
gotta keep my eyes open (yeah, I said)
When we fuck, bitch, I'm on crack
Bitch, I go black, sacrifice back
When I go in, bitch, I'm on Henn'
Bitch, I'm on ten, I just want him
When we fuck, bitch, I'm on crack
Bitch, I go black, sacrifice back
When I go in, bitch, I'm on Henn'
Bitch, I'm on ten (ten), I just want him
I just want
Love the way you watch me
When I'm on the floor
Buggin' out like you ain't ever been before
You know that I can do just 'bout everything
And anything, I entertain
Love the way you watch me
When I'm on the floor
Buggin' out like you ain't
ever been before, yuh
You know that I can do just
'bout everything (yeah)
And anything, I entertain
