Here's a new position from the front
Ain't gon' be no duckin'
When you buss' (Bu, bu-bu-buss')
Baby, I know how to use
A gun (Gun, gu-gu-gun)
I can make that dick go fuckin'
Grrah-ta, ta-ta-ta

From the front (Front, fro-fro-front)
Ain't gon' be no duckin'

Fuckin' grrah-ta, ta-ta-ta
Said, James Dean,

Put me on your whip
And let me ride it 'til I cream (I said)
I just saw your girl and now
we gotta flee the scene (Da-da-da, da-da-da)
Hide it in my pussy
like you hide it in your sleeve
G (G), G (G), I'm a fuckin' G
Take it like a thug
and make you change your new white tees
Better bite the bullet,
baby take one for the team
Put this pussy on it
Till you wake up from your dream
If that shit not workin'
you could fire her, nigga (What?)
Shoot it down my throat
But with a silencer, nigga (What?)
I know that she mad but I
Don't vibe with her, nigga (What?)

If she talking shit
Then I'ma silence her, nigga (What?)
