Woman – Doja Cat

Hey, woman

Hey, woman

Hey, woman

Let me be your woman

Woman, woman (ayy)

I can be your woman

Woman, woman (ayy)

Let me be your woman

Woman, woman (ayy)

I can be your woman

Woman, woman (ayy)

What you need?

She give tenfold, come here,

Papa, plant your seed

She can grow it from her womb, a family

Provide lovin'

Overlooked and unappreciated, you see (yeah)

You can reciprocate

I got delicious taste

You need a woman's touch in your place

Just protect her and keep her safe

Baby, worship my hips and waist

So feminine with grace

I touch your soul when you hear me say

"Boy, let me be your woman"

Let me be your woman

Woman, woman, woman (ayy)

I can be your woman

Woman, woman (ayy)

Let me be your woman

Woman, woman (ayy)

I can be your woman

Woman, woman (ayy)

I can be your lady, I'm a woman

I'm a motherfucker but they got a problem

Put some babies in your life

And take away the drama

Put that paper in a picture like a diorama

Gotta face a lot people that are opposite

'Cause the world told me,

"We ain't got that common sense"

Gotta prove it to myself

That I'm on top of shit

And you will never know

A God without a Goddess

As honest as fuckin' honest get

And I could be on everything

I mean I could be the leader,

Head of all the states

I could smile

And jiggle it 'til his pockets empty

I could be the CEO, just look at Robyn Fenty

And I'ma be there for you

'cause you on my team, girl

Don't ever think

You ain't hella these niggas dream girl

They wanna pit us against each other

When we succeedin' for no reasons

They wanna see us end up

Like we Regina on Mean Girls

Princess or queen, tomboy or king (yeah)

You've heard a lot, you've never seen (nah)

Mother Earth, Mother Mary rise to the top

Divine feminine, I'm feminine (why?)

Woman (daddy)

Let me be your woman (let me be your)

Woman, woman (I need to be your)

I can be your woman (I know)

Woman, woman (daddy)

Let me be your woman (I know)

Woman, woman (daddy)

I can be your woman (I know)

Woman, woman, woman

Mm-mm

(Hey, woman) Mm-mm, mm

(Hey, woman)
