I'm leavin' it all up to you

You decide what you're gonna do

Now do you want my love

Or are we through?

That's why I'm leavin' it all up to you

You decide whatcha gonna do

Now do you want my love

Or are we through?

I've got my heart in my hand

I - - - I - - - I don't understand

What have I done wrong

I worship the ground you walk on

That's why I'm leavin' it all up to you

You decide whatcha gonna do

Now do you want my love

Or are we through?

I'm leavin' it all up to you

You decide whatcha gonna do

Now do you want my love

Or are we through?

I'm leavin' it all up to you

You decide whatcha gonna do

Now do you want my love
