

Die Motherfucker Die – Dope

I don't need your forgiveness

I don't need your hate

I don't need your acceptance

So what should I do?

I don't need your resistance

I don't need your prayers

I don't need no religion

I don't need a thing from you

I don't do what I've been told

You're so lame why don't you

Just go

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

I don't need your prison

I don't need your pain

I don't need your decision

So what should I do?

I don't need your approval

I don't need your hope

I don't need your lectures

I don't need a thing from you

I'll be sorry when I'm old

You're so full of shit man

Just go

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

Die motherfucker die motherfucker die

Boom

I don't need your forgiveness

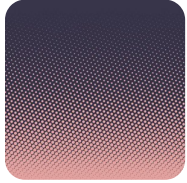

I don't need your hate

I don't need your acceptance

So what should I do

I'll be sorry so you've said

I'm not sorry
Bang you're dead
Die motherfucker die motherfucker die
Die motherfucker die motherfucker die
Die motherfucker die motherfucker die
Die motherfucker die motherfucker die
Die
