Dream A Little Dream of Me – Doris Day

Stars shining bright above you Night breezes seem to whisper: I love you Birds singing in the sycamore tree Dream a little dream of me Say: Nightie night, and kiss me Just hold me tight and tell me you'll miss me While I'm alone and blue as can be Dream a little dream of me Stars fading but I linger on dear Still craving your kiss I'm longing to linger 'till dawn dear Just saying this Sweet dreams 'till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams whatever they be Dream a little dream of me Stars fading but I linger on dear Still craving your kiss I'm longing to linger 'till dawn dear Just saying this Sweet dreams 'till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams whatever they be Dream a little dream of me Dream a little dream of me Dream a little dream of me
