Double Trouble – Molly Sandén, Will Ferrell

I saw you
Then all of my nights turned morning
You turn round
And I suddenly found my glory

Sometimes I pinch myself
'Cause I don't know
Am I dreaming now?
I wanna stop the clocks
And hold you close
But I don't know how

Hey, baby, when you look at me
I know I'm in double trouble tonight
Hey, baby, when you talk to me
I know I'm in double trouble tonight

Show me your love
Give me your love
How can something so wrong feel so right?
Straight from above
The whitest dove
I'm in double trouble tonight
Oh
Double trouble tonight!

Never felt this alive
Loving you's my 9 to 5
Nothing makes me feel like you do

Up is down, down is up
I don't really give a (what?)
I just wanna break every rule

Sometimes I pinch myself
'Cause I don't know

Am I dreaming now? (You're not dreaming, no)
I wanna stop the clocks
And hold you close (close)
But I don't know how

Hey, baby, when you look at me
I know I'm in double trouble tonight
Hey, baby, when you talk to me
I know I'm in double trouble tonight

Show me your love
Give me your love
How can something so wrong feel so right?
Straight from above
The whitest dove
I'm in double trouble tonight
Oh
Double trouble tonight!

Double trouble
Double double trouble tonight
Double trouble
I'm in double trouble tonight!

Double trouble
Double double trouble tonight
Double trouble
I'm in double trouble tonight!
