

# Count me in – Dove Cameron

Oh oh oh oh oh oh oh oh

If I'm the sun then you're the moon  
If you're the words then I'm the tune  
Yeah  
If you're the heart then I'm the beat  
Somehow together we're complete  
Yeah

There are times my world is crumbling and the rain is  
Crashing down  
But everywhere you are the sun comes out

Even when you're gone  
I feel you close  
You'll always be the one  
I love the most  
You're in my heart, on my mind,  
You are underneath my skin  
And anywhere anytime that you need anything  
Count me in  
Oh oh oh oh oh oh  
Count me in yeah yeah

I don't need to say a word, no  
'Cause you know when I'm happy and when I'm hurt  
We're close as pages in a book  
'Cause you make me feel better with just one look

There are times my world is crumbling and the rain  
Is crashing down  
But everywhere you are the sun comes out

Even when you're gone  
I feel you close  
You'll always be the one

I love the most  
You're in my heart, on my mind,  
You are underneath my skin  
And anywhere anytime that you need anything  
Count me in oh oh oh oh oh oh  
Count me in yeah yeah

'Cause we're two halves of the same new heart  
That beats to our own drum  
You're the shadow always by my side,

One that sometimes knows me better than I know myself  
And I wish that you were here with me tonight

Even when you're gone  
I feel you close  
You'll always be the one  
I love the most (I love the most)  
You're in my heart, on my mind,  
You are underneath my skin  
And anywhere anytime that you need anything  
Count me in oh oh oh oh oh oh  
Count me in yeah yeah oh oh oh oh  
Count me in oh oh oh oh  
Count me in
