

SKINS – DPR IAN

My name
Oh, oh, oh
Da-da-da-da
I spread my wings just to take you in
What a life it's been on the highest wings
When I'm alone, I let my world explode
(Then I'll sink the remains below)
Then I keep it there
Until there's nothing left of me
(Oh, oh-oh-oh, oh-oh-oh, oh-oh-oh)
(Yeah)
Oh-oh-oh, I gave up long ago
So you could dream it all
But now, I stand alone
Oh-oh-oh, I broke down all my doors
Oh, do you see it now?
Nothing was fixed at all
I never asked to be like this
I never asked to be like this
I never asked to be like this
No
