

# I'm Hex Girls – Dreadlight

Hit it, sisters

I'm gonna cast a spell on you

You're gonna do what I want you do

Mix it up here in my little bowl

Say a few words and you lose control

I'm a Hex Girl

And I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl

And I'm gonna put a spell on you

You'll feel the fog As I cloud your mind

You'll get dizzy

When I make a sign

You'll wake up in the dead of night

Missing me when I'm out of sight

I'm a Hex Girl

And I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl

And I'm gonna put a spell on you

With this little cobweb potion

You'll fall into dark devotion

If you ever lose affection

I can change your whole direction

I'm a Hex Girl

And I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl

And I'm gonna put a spell on you

We're gonna put a spell on all of you
