

Goodnight Kiss – Dream Theater

Goodnight kiss in your nightgown
Lavender in your bed
So innocent as you lie down
Sweet dreams that run through your head

Are you lonely without Mommy's love?
I want you to know I'd die for that moment
You're just a poor girl
Afraid of this cruel world
Taken away from it all

It's been 5 years to the day and
My tainted blood's still the same
I can't help acting this way and
Those bastard doctors are gonna pay

I'm so lonely without baby's love
I want you to know I'd die for one more moment
I'm just a poor girl
Afraid of this cruel world
Taken away from it all
