Goodnight Kiss - Dream Theater

Goodnight kiss in your nightgown Lavender in your bed So innocent as you lie down Sweet dreams that run through your head

Are you lonely without Mommy's love?
I want you to know I'd die for that moment
You're just a poor girl
Afraid of this cruel world
Taken away from it all

It's been 5 years to the day and My tainted blood's still the same I can't help acting this way and Those bastard doctors are gonna pay

I'm so lonely without baby's love
I want you to know I'd die for one more moment
I'm just a poor girl
Afraid of this cruel world
Taken away from it all
