

# Dschinghis Khan – Dschinghis Khan

Hu, ha, hu, ha hu, ha, hu, ha  
Hu, ha, hu, ha hu, ha, hu, ha  
Hu, ha, hu, ha, hu, ha, hu, ha

They rode the fastest horses  
Left the wind behind  
Thousand men  
Ha, hu, ha  
And one man led the way  
The others followed by:  
Genghis Khan  
Ha, hu, ha

They galloped over mountains and desert-sands  
They carried desolation throughout the land  
And nothing there could stop them in this world  
Hu, ha

Gen Gen Genghis Khan  
Hey, rider; ho, rider; go, rider  
Let us follow  
Gen Gen Genghis Khan  
Hey, brother; ho, brother; hey, brother  
Hear us holler

Who cares where we're going  
Ho, ho, ho, ho  
There's no way of knowing  
Ha, ha, ha, ha  
And we'll let the Devil take our souls

Gen Gen Genghis Khan  
Hey, rider; ho, rider; go, rider  
Let us follow  
Gen Gen Genghis Khan  
Go, brother; dream, brother; dance, brother

Hear us holler

You can hear his laughter

Ho, ho, ho, ho

Now and ever-after

Ha, ha, ha, ha

When he lifts his glass up in the air

He was the greatest lover

And the strongest man

Of his day

Ha, hu, ha

And we have heard that

All the women fell for him

So they say

Ha, hu, ha

And he bred seven children in one whole night

He had his girls around him at his very sight

And nothing that could stop him in this world

Hu, ha

Gen Gen Genghis Khan

Hey, rider; ho, rider; go, rider

Let us follow

Gen Gen Genghis Khan

Hey, brother; ho, brother; hey, brother

Hear us holler

Who cares where we're going

Ho, ho, ho, ho

There's no way of knowing

Ha, ha, ha, ha

And we'll let the Devil take our souls

Gen Gen Genghis Khan

Hey, rider; ho, rider; go, rider

Let us follow

Gen Gen Genghis Khan

Go, brother; dream, brother; dance, brother

Hear us holler

You can hear his laughter

Ho, ho, ho, ho

Now and ever-after

Ha, ha, ha, ha

When he lifts his glass up in the air
