## Break My Heart - Dua Lipa

I've always been the one to say the first goodbye Had to love and lose a hundred million times Had to get it wrong to know just what I like Now I'm falling
You say my name like I have never heard before I'm indecisive, but, this time, I know for sure I hope I'm not the only one that feels it all Are you falling?

Centre of attention
You know you can get whatever you want from me
Whenever you want it, baby
It's you in my reflection
I'm afraid of all the things it could do to me
If I would've known it, baby

'Cause I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
Oh no, I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

I wonder, when you go, if I stay on your mind Two can play that game, but you win me every time Everyone before you was a waste of time Yeah, you got me

Centre of attention

I would've stayed at home

You know you can get whatever you want from me Whenever you want it, baby It's you in my reflection I'm afraid of all the things it could do to me If I would've known it, baby

I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
Oh no, I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?

Break my heart
Break my heart
Am I falling in love with the one that could break my heart?

I would've stayed at home
'Cause I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
Oh no, I was doing better alone
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could break my heart?
