

Levitating – Dua Lipa

If you wanna run away with me I know a galaxy
And I could take you for a ride
I had a premonition that we fell
Into a rhythm Where the music don't stop for
Life Glitter in the sky, glitter in my eyes
Shining just the way you like If you're
Feeling like you need a little bit of company
You met me at the perfect time You want me,
I want you, baby My sugar-boo,
I'm levitating
The Milky Way, we're renegading
Yeah, yeah, yeah, yeah, yeah I got you,
moonlight, you're my starlight I need
You all night, come on dance with me
I'm levitating I got you, moonlight,
You're my starlight I need you all night,
Come on
dance with me I'm levitating I believe
That you're for me, I feel it in our energy I
see us written in the stars We can go
Wherever, so let's do it now or never
Baby, nothing's ever ever too far Glitter
In the sky, glitter in our eyes Shining
Just the way we are I feel like we'r
forever every time we get together
But whatever, let's get lost on Mars
You want me, I want you, baby My sugar-boo
I'm levitating The Milky Way, we're
renegading Yeah, yeah, yeah, yeah, yeah
I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating I got you, moonlight,
You're my starlight I need you all night,
come on dance with me I'm levitating
You could fly away with me tonight You
Could fly away with me tonight Baby,

Let me take you for a ride Yeah, yeah,
Yeah, yeah, yeah You could fly away with
Me tonight You could fly away with me
Tonight Baby, let me take you for a ride
My love is like a rocket, watch it blast
Off And I'm feeling so electric, dance our
Ass off And even if I wanted to, I can't
Stop Yeah, yeah, yeah, yeah, yeah My love
Is like a rocket, watch it blast off And
I'm feeling so electric, dance my ass off
And even if I wanted to, I can't stop Yeah
yeah, yeah, yeah, yeah You want me,
I want you, baby My sugar-boo, I'm
levitating The Milky Way, we're renegading
I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating You could fly away with me
tonight You could fly away with me tonight
Baby, let me take you for a ride Yeah, yeah,
Yeah, yeah, yeah You could
Fly away with me tonight You could fly away
With me tonight Baby, let me take you for a
ride I got you, moonlight, you're my
starlight I need you all night, come on
Dance with me I'm levitating You, moonlight
you're my starlight I need you all night,
come on dance with me I'm levitating
