

Love Again – Dua Lipa

I never thought that I would find a way out
I never thought I'd hear my heart beat so
Loud
I can't believe there's something left in
My chest anymore
But goddamn, you got me in love again
I used to think that I was made out of stone
I used to spend so many nights on my own
I never knew I had it in me to dance anymore
But goddamn, you got me in love again
Show me that heaven's right here, baby
Touch me, so I know I'm not crazy
Never have I ever met somebody like you
Used to be afraid of love and what it might
Do
But goddamn, you got me in love again
You got me in love again
You got me in love again
You got me in love again
Again
So many nights, my tears fell harder than
Rain
Scared I would take my broken heart to the
grave
I'd rather die than have to live in a storm
like before
But goddamn, you got me in love again
Show me that heaven's right here, baby
Touch me, so I know I'm not crazy
Never have I ever met somebody like you
Used to be afraid of love and what it might
Do
But goddamn, you got me in love again
You got me in love again
You got me in love again
You got me in love again

Again
I can't believe, I can't believe
I finally found someone
I'll sink my teeth in disbelief
'Cause you're the one that I want
I can't believe, I can't believe
I'm not afraid anymore
Goddamn, you got me in love again
La-la-la, la-la-la
La-la-la, la-la-la
I never thought that I would find a way out
I never thought I'd hear my heart beat so
Loud
I can't believe there's something left
in my chest anymore
Oh, goddamn, you got me in love again
We're in love
We're in love
We're in love
We're in love (oh, oh, oh, oh)
I can't believe, I can't believe
I finally found someone
I'll sink my teeth in disbelief
'Cause you're the one that I want
I can't believe there's something left
Inside my chest anymore
But goddamn, you got me in love again
You got me in love again
You got me in love again
You got me in love again
(Again, and again, and again, and again,
And again)
