

# Scared to be lonely – Dua Lipa

It was great at the very start  
Hands on each other  
Couldn't stand to be far apart  
Closer the better  
Now we're picking fights and slamming doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
Why we keep coming back for more  
Is it just our bodies? Are we both losing our minds?  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely?  
Do we need somebody just to feel like we're alright?  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely?  
Too much time, losing track of us  
Where was the real?  
Undefined, spiraling out of touch  
Forgot how it feels  
All the messed up fights and slamming doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
It's like we keep coming back for more  
Is it just our bodies? Are we both losing our minds?  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely?  
Do we need somebody just to feel like we're alright?  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely?  
Scared to be lonely  
Even when we know it's wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on?  
Holding on tonight 'cause we're scared to be lonely  
Even when we know it's wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on?

Holding on tonight 'cause we're scared to be lonely  
Is it just our bodies? Are we both losing our minds?  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely?  
Scared to be lonely  
Scared to be lonely  
Eh, eh, scared to be lonely
