

# Place in this world – duet śpiewasz partie damską

The wind is moving but I'm standing still  
A life of pages waiting to be filled  
A heart that's hopeful  
A head that's full of dreams  
But this becoming is harder than it seems  
Feels like  
I'm looking for a reason  
Roaming through the night to find my  
Place in this world  
My place in this world  
Not a lot to lean on  
I need Your light to help me find  
My place in this world  
My place in this world  
I'm looking for a reason  
Roaming through the night to find  
My place in this world  
My place in this world  
Not a lot to lean on  
I need Your light to help me find  
My place in this world  
My place in this world  
Looking for a reason  
Roaming through the night to find  
My place in this world  
My place in this world  
Not a lot to lean on  
I need Your light to help me find  
My place in this world  
My place in this world
