Arcade – Duncan Laurence

A broken heart is all that's left I'm still fixing all the cracks Lost a couple of pieces when I carried it, carried it, carried it home

I'm afraid of all I am My mind feels like a foreign land Silence ringing inside my head Please, carry me, carry me, carry me home

I spent all of the love I've saved We were always a losing game Small-town boy in a big arcade I got addicted to a losing game

Oooooooh, oooooooh

All I know, all I know Loving you is a losing game

How many pennies in the slot Giving us something and take a lot I saw the end before it begun Still I carried, I carry on

Ooooooh, oooooooh

All I know, all I know Loving you is a losing game

Oooooooh, oooooooh

All I know, all I know Loving you is a losing game

I don't need your games, game over

Get me off this rollercoaster

Oooooh, ooooooh

All I know, all I know Loving you is a losing game

Ooooooh, oooooooh

All I know, all I know Loving you is a losing game
