

# Come Undone (akust.) – Duran Duran

Mine, immaculate dream made breath and skin

I've been waiting for you

Signed, with a home tattoo,

Happy birthday to you was created for you

Can't ever keep from falling apart

At the seams

Can I believe you're taking my heart

To pieces

Ahh, it'll take a little time

Might take a little crime

To come undone

Now we'll try to stay blind to the hope

And fear outside

Hey child, stay wilder than the wind

And blow me in to cry

Who do you need?

Who do you love?

When you come undone

Who do you need?

Who do you love?

When you come undone

Words, playing me déjà vu

Like a radio tune I swear I've heard before

Chill, is it something real?

Or the magic I'm feeding off your fingers

Can't ever keep from falling apart

At the seams

Can I believe you're taking my heart

To pieces

Lost, in a snow filled sky

We'll make it alright to come undone

Now we'll try to stay blind to the hope

And fear outside

Hey child, stay wilder than the wind

And blow me in to cry

Who do you need?

Who do you love?  
When you come undone  
Who do you need?  
Who do you love?  
When you come undone
