

Come Undone – Duran Duran

Mine, immaculate dream
Made breath and skin
I've been waiting for you
Signed with a home tattoo
"Happy birthday to you"
Was created for you
(Can't ever keep from falling apart
At the seams
Can I believe you're taking my heart
To pieces)
Ah, it'll take a little time
Might take a little crime to come undone
Now we'll try to stay blind
To the hope and fear outside
Hey child, stay wil-der than the wind
And blow me in to cry
Who do you need?
Who do you love?
When you come undone
Who do you need?
Who do you love?
When you come undone
Words, playing me deja vu
Like a radio tune, I swear I've heard before
Chill, is it something real?
Or the magic I'm fee-ding off your fingers
(Can't ever keep from falling apart
At the seams
Can I believe you're taking my heart
To pieces)
Lost, in a snow filled sky
We'll make it alright to come undone
Now we'll try to stay blind
To the hope and fear outside
Hey child, stay wil-der than the wind
And blow me in to cry

Who do you need?
Who do you love?
When you come undone
Who do you need?
Who do you love?
When you come undone
Who do you need?
Who do you love?
When you come undooooone
Who do you need?
Who do you looove?
Who do you loooove?
When you come undone
