

Miia – Dynasty

Some days
It's hard to see
If I was a fool
Or you a thief
Made it through the maze
You found my one in a million
And now you're just a page torn
From the story I'm living
And all I gave you is gone
Tumble like it was stone
Thought we'd build a dynasty
That heaven couldn't shake
Thought we'd build a dynasty,
Like nothing ever made
Thought we'd build a dynasty
Forever couldn't break up
The scar I can't reverse
When the more it heals, the worse it hurts
Gave you every piece of me,
Don't wanna risk missing
Don't know how
To be so close to someone so distant
And all I gave you is stone
Tumble like it was done
Thought we'd build a dynasty
That heaven couldn't shake
Thought we'd build a dynasty,
Like nothing ever made
Thought we'd build a dynasty
Forever couldn't break up
It all fell down
It all fell down
It all fell
It all fell down
It all fell down
It all fell

It all fell down
It all fell down eh
It all fell down
It all fell down
It all fell down
And all I gave you is gone
Tumble like it was stone
Thought we'd build a dynasty
That heaven couldn't shake
Thought we'd build a dynasty,
Like nothing ever made
Thought we'd build a dynasty
Forever couldn't break up
It all fell
It all fell down
It all fell down eh
It all fell down
It all fell down
It all fell down
(And all I gave you is gone)
It all fell
It all fell down
It all fell down
Thought we'd build a dynasty
Forever couldn't break up
