Stay Another Day – East 17

(Stay now) Baby if you've got to go away Don't think i could take the pan Won't you stay another day Oh don't leave me alone like this Don't you say it's the final kiss Won't you stay another day

Don't you know we've come too far now Just to go and try to throw it all away Thought i heard you say you love me That your love was goona be here to stay I've only just begun to know now All i can say is won't you stay just one more day

(Stay now) Baby if you've got to go away Don't think i could take the pan Won't you stay another day Oh don't leave me alone like this Don't you say it's the final kiss Won't you stay another day

I touch your face while you are sleeping And hold your hand, don't understand what's going on Good times we had return to haunt me Thought it's for you all that i do seem to be wrong

(Stay now)(Stay now)(Stay now) Baby if you've got to go away Don't think i could take the pan Won't you stay another day Oh don't leave me alone like this Don't you say it's the final kiss Won't you stay another day

Baby if you've got to go away Don't think i could take the pan Won't you stay another day Oh don't leave me alone like this Don't you say it's the final kiss Won't you stay another day

Baby if you've got to go away Don't think i could take the pan Won't you stay another day Oh don't leave me alone like this Don't you say it's the final kiss Won't you stay another day
