

Thinking Out Loud – Ed Sheeran

When your legs don't work
like they used to before
And I can't sweep you off your feet
Will your mouth still remember
the taste of my love
Will your eyes still smile
from your cheeks
And darling I will be loving you
'til we're seventy
And baby my heart
could still fall as hard at twentythree
And I'm thinking 'bout how
People fall in love in mysterious ways
Maybe just the touch of a hand
Oh me I fall in love with you
every single day
And I just wanna tell you I am
So honey now
Take me into your loving arms
Kiss me under the light
of a thousand stars
Place your head on my beating heart
I'm thinking out loud
And maybe we found love right
where we are
When my hair's all but gone
and my memory fades
And the crowds
don't remember my name
When my hands don't play
the strings the same way, mhm
I know you will still love me the same
'Cause honey your soul
Can never grow old, it's evergreen
Baby your smile's
Forever in my mind and memory

I'm thinking 'bout how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making
the same mistakes
Hoping that you'll understand
But baby now
Take me into your loving arms
Kiss me under the light
of a thousand stars
Place your head on my beating heart
I'm thinking out loud
That maybe we found love right
where we are, oh
Ah la la, la la la, la la la, la la la la
So baby now
Take me into your loving arms
Kiss me under the light
of a thousand stars
Oh darling, place your head
on my beating heart
I'm thinking out loud
That maybe we found love right
where we are
Oh maybe we found love right
where we are
And we found love right
where we are
