

Society – Eddie Vedder

Oh, it's a mystery to me
We have a greed, with which we have agreed
And you think you have to want more
Than you need
Until you have it all you won't be free
Society, you're a crazy breed
I hope you're not lonely without me
When you want more than you have
You think you need
And when you think more than you want
Your thoughts begin to bleed
I think I need to find a bigger place
'Cause when you have more than you think
You need more space
Society, you're a crazy breed
I hope you're not lonely without me
Society, crazy indeed
I hope you're not lonely without me
There's those thinking, more or less,
Less is more
But if less is more, how you keeping score?
Means for every point you make,
Your level drops
Kinda like you're starting from the top
You can't do that
Society, you're a crazy breed
I hope you're not lonely without me
Society, crazy indeed
I hope you're not lonely without me
Society, have mercy on me
I hope you're not angry if I disagree
Society, crazy indeed
I hope you're not lonely
Without me
