Society - Eddie Vedder

Oh, it's a mystery to me We have a greed, with which we have agreed And you think you have to want more Than you need Until you have it all you won't be free Society, you're a crazy breed I hope you're not lonely without me When you want more than you have You think you need And when you think more than you want Your thoughts begin to bleed I think I need to find a bigger place 'Cause when you have more than you think You need more space Society, you're a crazy breed I hope you're not lonely without me Society, crazy indeed I hope you're not lonely without me There's those thinking, more or less, Less is more But if less is more, how you keeping score? Means for every point you make, Your level drops Kinda like you're starting from the top You can't do that Society, you're a crazy breed I hope you're not lonely without me Society, crazy indeed I hope you're not lonely without me Society, have mercy on me I hope you're not angry if I disagree Society, crazy indeed I hope you're not lonely Without me
