

# USSR – Eddy Huntington

Day in the night  
Taking places in the train to Moscow  
Now I'm coming back to drink some iced vodka

Landscape in white  
Sun is shining through the icicles  
I'm dancing in the snow to balalaika

Time can go by  
But the Russian girls  
Don't ever seem to leave my mind  
Fine, don't see why  
I should ever try to leave my heart behind

USSR  
I'm back into the USSR  
USSR  
I'm back into the USSR  
Jumpin' is right

Now this time I'm on vacation  
And I'm going to have some fun rocking in Gorki Park  
Time can go by  
But the Russian girls  
Don't ever seem to leave my mind  
Fine, don't see why  
I should ever try to leave my heart behind

USSR  
I'm back into the USSR  
USSR  
I'm back into the USSR
