

Xanadu – Electric Light Orchestra & Olivia Newton-John

A place where nobody dared to go
The love that we came to know
They call it Xanadu (it takes your breath
And it'll leave you blind)
And now, open your eyes and see
What we have made is real
We are in Xanadu
(you dream of it, we offer you)
A million lights are dancing and
There you are, a shooting star
An everlasting world and
You're here with me, eternally
Xanadu, Xanadu
(Now we are here) in Xanadu
Xanadu, Xanadu
(Now we are here) in Xanadu
Xanadu, your neon lights will shine for you,
Xanadu
The love, the echoes of long ago
You needed the world to know
They are in Xanadu (with every breath
You drift away)
The dream that came through a million years
That lived on through all the tears
It came to Xanadu (the dream you dream,
Well, it will happen for you)
A million lights are dancing and
There you are, a shooting star
An everlasting world and
You're here with me, eternally
Xanadu, Xanadu
(Now we are here) in Xanadu
Xanadu, Xanadu
(Now we are here) in Xanadu
Now that I'm here

Now that you're near in Xanadu
Now that I'm here
Now that you're near in Xanadu, Xanadu
