## Xanadu – Electric Light Orchestra&Olivia Newton-John

A place where nobody dared to go The love that we came to know They call it Xanadu (it takes your breath And it'll leave you blind) And now, open your eyes and see What we have made is real We are in Xanadu (you dream of it, we offer you) A million lights are dancing and There you are, a shooting star An everlasting world and You're here with me, eternally Xanadu, Xanadu (Now we are here) in Xanadu Xanadu, Xanadu (Now we are here) in Xanadu Xanadu, your neon lights will shine for you, Xanadu The love, the echoes of long ago You needed the world to know They are in Xanadu (with every breath You drift away) The dream that came through a million years That lived on through all the tears It came to Xanadu (the dream you dream, Well, it will happen for you) A million lights are dancing and There you are, a shooting star An everlasting world and You're here with me, eternally Xanadu, Xanadu (Now we are here) in Xanadu Xanadu, Xanadu (Now we are here) in Xanadu Now that I'm here

## Now that you're near in Xanadu Now that I'm here Now that you're near in Xanadu, Xanadu
