## Xanadu – Electric Light Orchestra&Olivia Newton-John

A place where nobody dared to go

The love that we came to know

They call it Xanadu (it takes your breath

And it'll leave you blind)

And now, open your eyes and see

What we have made is real

We are in Xanadu

(you dream of it, we offer you)

A million lights are dancing and

There you are, a shooting star

An everlasting world and

You're here with me, eternally

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, your neon lights will shine for you,

Xanadu

The love, the echoes of long ago

You needed the world to know

They are in Xanadu (with every breath

You drift away)

The dream that came through a million years

That lived on through all the tears

It came to Xanadu (the dream you dream,

Well, it will happen for you)

A million lights are dancing and

There you are, a shooting star

An everlasting world and

You're here with me, eternally

Xanadu, Xanadu

(Now we are here) in Xanadu

Xanadu, Xanadu

(Now we are here) in Xanadu

Now that I'm here

## Now that you're near in Xanadu Now that I'm here Now that you're near in Xanadu, Xanadu
