## Believe - Ella Henderson

No matter how hard i try
I keep pushing me aside
And i can't break through
There's no talking to you
So sad that you're leaving
Takes time to believe it
But after all is said and done
You're gonna be the lonely one, oh oh

Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough,
Now
Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough,
Now

But i know that i'll get through this 'cause i know that i am strong
I don't need you anymore
Oh i don't need you anymore i don't need you anymore
No i don't need you anymore

I can feel something inside me say
I really don't think you're strong enough,
Now
Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough,
Now
